WHO ARE WE?

Creative in Excellence are an alternative education provider, with learning centres in Mold and St Asaph.

WHAT DO WE DO?

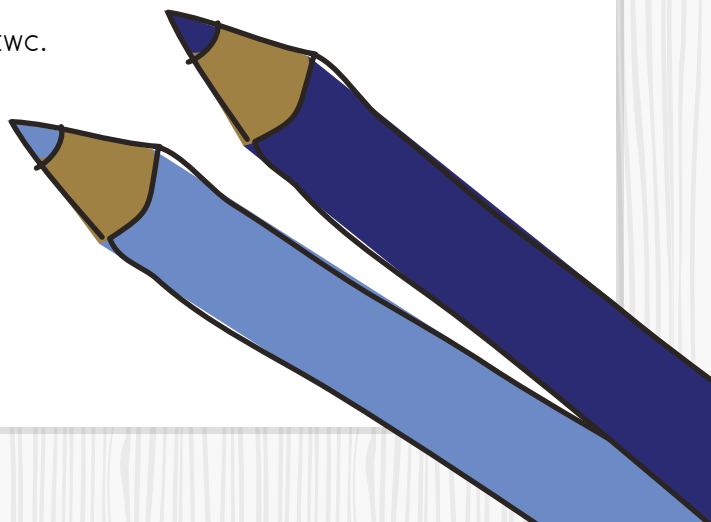

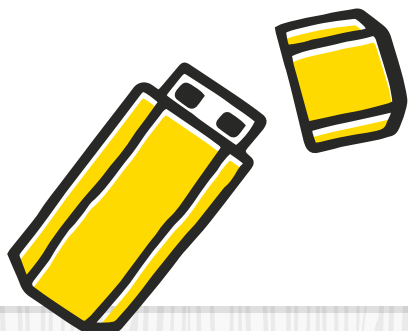

At Creative in Excellence, we *Inspire Lives for a Brighter Future* by offering a range of education experiences suited to the needs of the individual.

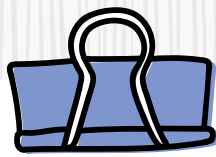

**We can offer bespoke support from
2 hours per week.**

With experienced and empathetic teachers, we are also able to deliver a home tuition package tailored to the individual learners needs.

At Creative in Excellence, our students create their curriculum, which focusses on developing academic ability, social skills, as well as personal development - skills for life.

All our staff are DBS checked and are registered with the EWC.

OUR VALUES

Respect, effort, confidence, trust, determination and perseverance

We aim to focus each student to develop beyond the boundaries of learning. We look at the 'whole person' to enable them to move forward with confidence and to aim for a successful future.

SOCIAL SKILLS

THE THINGS THAT WE TEACH EVERY DAY!

At Creative in Excellence, we feel passionately that every young person has the ability to succeed in life. We aim to support them in their journey by ensuring that they have the social skills needed to allow them to become active members of society. By developing a strong and meaningful understanding of each student, we can encourage and motivate them to be the best they can be.

BENEFITS

Students will:

- become members of society who respect the needs of others
- become confident individuals with secure values
- put in the effort to manage everyday life as independently as they can
- form positive relationships based upon trust
- show determination in taking measured risks
- show perseverance to face and overcome challenges

THIS WOULD SUIT...

- All our students.
- Students with anxiety, health problems, poor communication skills, confidence issues, anger management issues.
- Students who find the constraints of main stream education challenging.

"Everyone is very supportive here
and tries their best to help us
achieve our goals!"

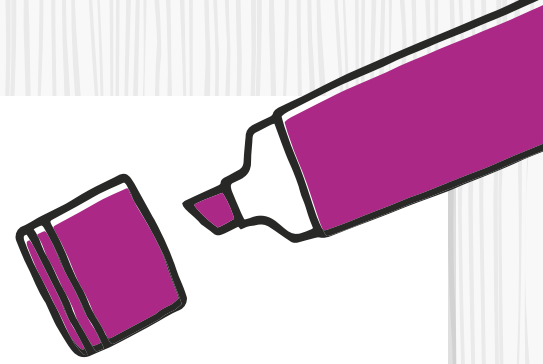

"Coming here suits me so much more
than just having a private tutor. The
staff are supportive. I want to get out
of bed in the morning and come here"

"I suffer from depression
and going for walks and
having discussions gives me
something to look forward
to because my life can feel
bleak."

"I like it here as it's usually 1-on-1 and
not many distractions."

"Everyone here is in a
similar situation to you.
You can concentrate more
on your work. Everyone
wants you to do your best
and supports you."

"I feel like I have a
good relationship with
my teacher."

LIVING SKILLS

LIFE CHANGING FOR SOME!

Qualifications - Agored Cymru.

At Creative in Excellence, students are able to select a wide range of modules to match their interests, hobbies and abilities. By building up a range of unit credits, students can soon access qualifications that are equivalent to GCSEs. Learning and achieving through this medium is fun and accessible to all learners.

BENEFITS

Students will:

- form positive relationships based on mutual respect
- demonstrate effort and empathy by adopting differing roles within a team
- be confident to communicate and express their ideas and emotions
- trust in themselves and others
- show determination to identify and grasp opportunities
- show perseverance to think creatively to reframe and solve problems

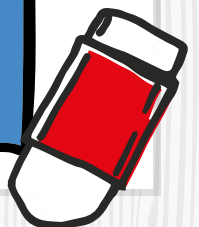

THIS WOULD SUIT...

All our students.

Students with anxiety, health problems, poor communication skills, confidence issues, anger management issues.

Students who find the constraints of main stream education challenging.

SUBJECT AREAS INCLUDE:

Literacy skills, employability skills, essential skills for work & life, application of number, communication, bullying, anger management, money, self confidence, work related education, participation. A range of specific career focused units are also available.

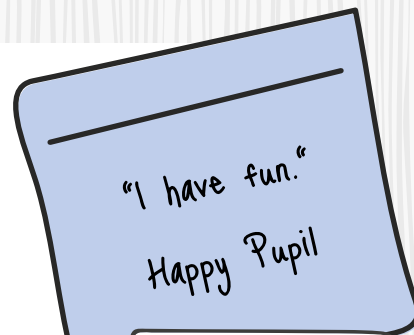

ADDITIONAL ACTIVITIES

At Creative in Excellence, we can 'mix and match' core subjects and qualifications with a range of other 'softer' activities to meet the students' learning style, including: assistance dog support, outdoor education, art, life skills, CV writing, and mock interviews.

OUTDOOR EDUCATION

We recognise the power and impact that team work challenges can offer. By offering small team work activities via outdoor education, young people can also develop skills relating to numeracy, navigation, health & safety, leadership, communication, first aid, health & wellbeing, and self-belief.

All activities are offered via trained and fully qualified instructors.

ACADEMIC SKILLS & QUALIFICATIONS

ACHIEVABLE GOALS!

With a team of experienced and highly trained staff, we are able to offer support to a range of young people, with a variety of individual needs.

We offer Art, English, Maths and Science up to GCSE level.

BENEFITS

Students will:

- respect the importance of recognised qualifications
- set themselves high standards
- be confident learners
- trust teachers and work in partnership with them
- be determined to apply learnt knowledge in different contexts
- persevere when facing difficulties

ENGLISH, MATHS AND SCIENCE – OTHER SUBJECTS AVAILABLE

At Creative in Excellence, we recognise that we all learn in different ways, at different levels and at different speeds. As a company, we value the need to treat all students as individuals, creating unique and bespoke learning packages.

Our core subject classes reinforce work already covered whilst introducing new concepts and encouraging creativity. We always aim to work at a pace that each student will be comfortable with. We are able to offer subject support for individuals on a one to one basis or via pair or small group work, to meet the needs of the student.

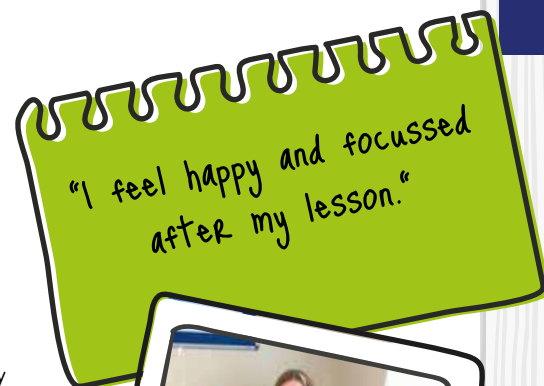

PREPARATION FOR EXAMS

Facing GCSE exams can be a daunting prospect. Our experienced tutors spend time working on past papers, sharing exam tips, exam technique and even what and how to revise.

REGISTERED EXAM CENTRE

Creative in Excellence are a registered exam centre. This gives students who do not access mainstream education the opportunity to be able to sit their GCSEs at a Creative in Excellence base; in a small, friendly and less intimidating environment.

We have a teacher with specialist knowledge who assesses students to allow them to gain access arrangements.
